PARENT AWARENESS WORKSHOPS AND SUPPORT

Grade Booster Workshop

Golden Valley parents and guardians are welcome to attend a workshop on how to boost the grades of their student in all academic areas. The workshop will focus on resources, infinite campus, intervention opportunities, and classroom strategies that will help your student be successful in school. Resources that are available at Golden Valley High School to help your student succeed academically will be shared. Instructions on Infinite Campus and how to use it to maximize your students progress will also be discussed. Please come and get informed on how you can help your student boost their grades in their classes!
