### Topics Include:

- Safe Prom
- Parent Modeling
- Drug Warning Signs

Come join us at Golden Valley High School for a night of empowerment. Sandy Logan will provide you with tools to help your student have a safe prom night. She will also discuss tips for modeling expected behavior and recognizing warning signs for drug usage. This night is for the parents of GV— it will be full of important information for you and your student. Keep informed. Stay connected. Ensure student success.

We look forward to this night with you.
