Let us answer your questions and learn how you can make a difference to an
Exchange student and **YOUR** family by hosting.

- Students from around the world need host families for the 2016-2017 school year.
- Students 15-18 years old will attend Golden Valley H.S. for an academic year.
- Volunteer Host Families are matched to their student by, gender, country of origin, activities & interests.
- Host families provide shelter, food and loving support. The students have their own spending money and carry medical insurance.
- Ongoing local support is provided; a local Academic Coordinator will serve as liaison between the family, student and school.
