****We STRONGLY advise you NOT to wait until the last minute to buy your exams.**

Technical difficulties or other issues will not be excused. Please plan to purchase your tests as soon as possible to give yourself ample time to work through any difficulties.

****There is some good news regarding cancelling an exam. You may choose to cancel your exam at any time before the exam administration and will be given a refund (minus \$4 per exam).**

****If you registered for AP exams last year, you will use the SAME email address this year. All your info is saved. At the bottom of the main page, it says "Have you previously registered? Login Here"**

****If you are in need of additional financial assistance, please contact Mrs. Thomas to learn about this year's AP Scholarship program.**

* You can qualify to pay a **reduced fee (\$25 per exam)** if you participate in the **free/reduced lunch program**. If you would like to qualify for the reduced fee, select **"YES"** on the question asking if you are in the free and reduced lunch program when you **register online**. This will send your registration to Hart's district for verification. You will receive an email once the verification process is complete. Because this extra step will take time, you should complete your registration immediately, but no later than October 16th.

Below are the dates and times for each AP Exam. Be advised that students should be ready to check in by **7:30 am** for the morning tests and **11:45** for the afternoon tests. If you are not in your assigned seat and ready to test by the time the doors close, you will not be able to test and there are no refunds given.

Please email Mrs. Thomas in the counseling office if you have any questions or concerns!
