Presents

LET'S CLEAR THE AIR: THE REAL DANGERS OF ELECTRONIC CIGARETTES

Join Dr. Darren Privett, Attending Emergency Physician at Henry Mayo Newhall Hospital, to learn:

- How chemicals in electronic cigarettes damage different parts of the body
- The long-term health effects of electronic cigarette use

Dr. Privett has 17 years of experience as an emergency physician and is licensed by the California Medical Board as well as the American Board of Emergency Medicine.

Wednesday, May 10, 2023

6:00-7:00 p.m.
